

Technology Checklist		Yes	No
✓	Do I have access to a computer or laptop?		
✓	Do I have programs installed on the computer to help me in my classes?		
✓	Have I set up notifications to alert me when I need to know things for class?		
✓	Do I know how to use web conferencing programs? Especially the mute button?		
✓	Do I have reliable internet to access Canvas?		
✓	Do I know how to contact IT support when I run into trouble?		
✓	Have I downloaded apps to help me in my classes? (Like the canvas app)		

If you have marked “no” to any of these, that is a good place to start making a positive change. What is one thing you want to focus on to be “Technology Ready”?
