

BRIDGE THE GAP BETWEEN LANGUAGE CLASSES AND COLLEGE

Not sure what to do with your high school language classes? Consider seeking a minor or major at Utah State University.

The Bridge Program with USU's Pathways is a great opportunity for students in the Dual Language Immersion (DLI) program and students who plan to take or have already passed the Advanced Placement (AP) Language and Culture Exam or NEWL (New Emerging World Languages Exam).

BEYOND THE CLASSROOM

Learning a language can increase your job opportunities. Language majors and minors enjoy careers in government agencies, international businesses, non-profit organizations, education, translation, and more.

USU UNDERGRAD STUDENT LANGUAGE RESOURCES

Take your language skills to the next level by enrolling at USU post-high school. Language major and minor undergrad students have access to a variety of interactive opportunities.

Participate in Language Student Clubs

Attend a Study Abroad Program

Access USU's Language Lab to improve conversation, reading and writing skills
